

TUCSON SPEEDWAY **2025 Points System**

1. Driver MUST be NASCAR and/or INEX member to participate and be awarded points.
2. Points are awarded to the driver.
3. Points are awarded according to the race finish after any penalties have been accessed.
4. **ALL heat races will** receive the FAST HEAT points for each heat race.
5. You must qualify the car you race in the main event to receive position points gained. ONE point is awarded for positions gained during the main event from the assigned starting position.
6. The second main for "Double events" must be a minimum 8 invert per NASCAR Rules.
7. BONUS points are awarded for winners starting in their assigned position of 8th or more – see below.
8. Race payoff is according to main event finish after any penalties have been accessed.
9. You must hold a FULL membership with NASCAR and/or INEX before the last race of the NASCAR season to receive year end awards in these divisions.
10. Drivers must display assigned decals as assigned by track officials and NASCAR.
11. Driver awards at year end are based on the final points audit between NASCAR and the track.
