**NOTE: If a driver does not race one of the events their tire rotation schedule changes to keep it in sync with the others.**

**This keeps from gaining advantage by only racing the nights scheduled to receive 2 or more tires.**

**Practice Tires with comparable laps are allowed to replace damaged race tires with approval from Tech Director.**

**RENTAL Cars with multiple drivers are assigned tires bought for that car during the race season.**

**Drivers racing 3 or more races in a rental car who build or buy a new car take those tires with them to the new car.**

**Track does not bank tires for drivers. Must purchase race tires the night you race or you lose the opportunity to buy the tire.**

**Drivers are not allowed to purchase race tires for a night they do not race.**
